

Dear Jumpstart Families,

We here at Jumpstart love that we have the opportunity to share special things that happened in our day at the center with you. As you know, social media provides an avenue for up-to-the-minute connections, as if you were right there. Below we are requesting that you grant or deny permission for us to post pictures and information on Jumpstart's Facebook page. Please note that Jumpstart's Facebook page is private and we only accept staff and parents. We thank you for your consideration and continued support!
