

**Jr. Gym Program at Jumpstart Childcare**

KidsSports USA/Branch Gymnastics has extended an amazing opportunity to children enrolled at Jumpstart Childcare. Once a week your child will be invited to take part in gymnastics within the Jr. Gym at KidsSports USA. Your child will be signed out of Jumpstart Childcare and into the Jr. Gym at KidsSports. Your child's teacher will use the same curriculum and assessment tool that is used within their classroom in conjunction with fundamentals of gymnastics to support not only physical development, but all other areas. By signing the permission slip below, you are confirming your understanding of the Jr. Gym program that is being offered to your child and that you give permission for your child to be signed out of Jumpstart Childcare and into the Jr. Gym at KidsSports USA. If you do not wish for your child to take part in this opportunity please indicate below.
