Petite	3-5yr	An introduction to dance through movement, music, and creative exploration. Dancers will develop coordination, body awareness, listening skills, musicality, and confidence while learning the basic foundations of dance in a fun and supportive environment.
Mini	5-7yr	Designed for young dancers ready to build on foundational skills. Classes focus on coordination, rhythm, spatial awareness, classroom structure, simple formations, and the beginner fundamentals of each dance style.
Junior	7-11yr	A beginner-friendly level focused on building strong technical foundations. Dancers will develop proper technique, musicality, flexibility, strength, choreography retention, and foundational skills such as basic turns, leaps, and performance quality.
Teen	12-18yr	Designed for intermediate to advanced dancers with a solid technical foundation. Students should demonstrate knowledge of basic terminology, positions, musicality, spatial awareness, foundational skills, and the ability to apply corrections while continuing to refine technique and artistry.
