

**Jumpstart Childcare  
New Child Hold Contract**

To hold a spot for your child, we require that you make a hold fee payment of \$50 per child and a registration fee payment of \$45 (not to exceed \$80 per family). These payments are non-refundable. In addition to your hold fee and registration fee payments, we also require the payment of your child's first week's tuition. If for any reason you decide against enrolling your child into this held spot, the payment of the first week's tuition becomes non-refundable. In the event tuition rates increase prior to your start date, you will be responsible for paying the difference.

Below we ask that you commit to a start date. We understand that in the case of infant enrollment, this may change slightly as babies do not always arrive on time. Please be sure to communicate any changes to the program director. If your child's start date should change, it is under Jumpstart Childcare's discretion if we can accommodate your new request.

By signing this contract, you are agreeing and acknowledging that you understand the above-mentioned policy.
