Walking Field Trip Permission Form

Occasionally, we find it opportune to take a walk in and around our neighborhood to see a bird building a nest, a spider spin a web, or venture to a neighborhood playground. We enjoy our walks and much can be learned from them. Some walks are planned and some are spontaneous. The office will always know where we are if you need your child.

We need your permission to take your child on these walking field trips. Your signature on the permission slip below will give us your approval throughout the years for these trips.

Sincerely,

Jumpstart Childcare
